

ENVIRONMENTAL SUSTAINABILITY POLICY

CRA Building Services strives for environmental sustainability at all levels of its' operations.

CRA Building Services (CRA) recognises the importance of environmental protection and sustainability; and with a responsible and integrated approach that complies with applicable environmental acts, regulations, statutory and client requirements. CRA endeavours to achieve robust environmental practices.

CRA Building Services aspires to maximise the effective use of resources minimise its' impact on our environment. We strive to achieve this by increasing communication and awareness of our efforts in accordance with this policy and fostering responsible environmental behaviour amongst staff, subcontractors, suppliers and users at all levels.

CRA Building Services is committed to complying with applicable legislation and to minimising any impact on the environment.

This Environmental Sustainability Policy aims to integrate sustainable development into the organisation's activities and to establish, and promote, sound environmental practices.

CRA Building Services commits to minimising the impact on our environment through:-

- Providing a safe and healthful workplace;
- Having an environmentally sustainable aware culture, where responsibility is assigned and understood;
- Being an environmentally responsible business in our community;
- Conserving natural resources by avoiding, reusing and recycling;
- Using, in our own operations, processes that do not adversely affect the environment;
- Ensuring the responsible use of energy throughout the organisation;
- Participating in efforts to improve environmental protection and understanding;
- Taking steps to continually improve environmental performance,
- Working with suppliers who promote sound environmental practices

CRA have appointed a Sustainability Officer to work with the business owners. The Officer will be responsible for considering, documenting and implementing sustainability programs on an annual basis throughout the company including office-based and site-based operations. CRA will report annually on the success and failures of these programs and develop strategies for improvement.

This Policy is to be reviewed on a three yearly basis or in accordance with legislative changes.
